

Dear Subscriber,

It is time to renew your subscription again— there is a copy of a subscription form on the reverse of this letter which we ask you to complete and return to us timeously so that we can ensure that there are no problems with your next quarter's books.

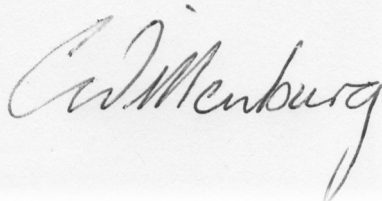

We understand that some of you have had difficulties with the postal system. Please be assured that we post them in good faith and cannot take responsibility for the postal services. If we are aware of difficulties at the Post Office we will contact you before we post them and offer some alternatives. If you would like your books couriered please contact our office to get a pricing on this—we are able to courier at a reasonable cost but only to main centres. Alternatively you may wish to collect your books from one of our bookstores—please just indicate which one on your form and include your phone number and we will call you when it is ready.

We are unfortunately unable to accept cheques as payment in future. We feel for many of our more elderly subscribers who find this method so much easier, but the bank is now wanting to charge us R100-00 for each cheque that we deposit and we don't want to increase our prices to compensate for this. We trust that you will understand our position.

Many of you have been very generous over the last year with your donations. We really appreciate this and want to express our deepest thanks. It is these donations that go towards keeping this ministry going.

May the Lord continue to bless you as you read His Word.

Your in His service,

Charmain Willenburg
